About this guide

This guide outlines general banking and transaction fees that may be applicable to our personal and business transaction and savings accounts, term deposits, credit cards and other general services. This guide helps you to identify fees that may apply to products you hold with Bank of Sydney and ways you may reduce or avoid these fees.

This guide does not apply to home loans, home equity lines of credit, and business or commercial loans. For the fees and charges related to these products, see the 'Lending Facilities Fees & Charges Guide'.

This guide forms part of our product disclosure statement, and may be read in conjunction with:

- Bank of Sydney Deposit, Saving & Transaction Accounts Product Disclosure Statement
- Terms and Conditions for Internet Banking
- Terms and Conditions for Visa Debit Cards
- Terms and Conditions for Credit Cards

These documents can also be found on our website banksyd.com.au or in any of our branches. Please contact us on 13 95 00 if you have any enquiries.

All fees and charges stated in this guide are applicable in Australian dollars (AUD) unless otherwise stated.

Term Deposit Fees

Fee	Amount
Early Withdrawal Fee Applicable if you choose to close your term deposit before maturity date	\$30.00

Interest Payment Reduction

If you choose to withdraw your term deposit early, an interest payment reduction may apply, and it is calculated as follows:

Percentage of Time Remaining	Interest Rate Reduction
0% to less than 20%	20%
20% to less than 40%	40%
40% to less than 60%	60%
60% to less than 80%	80%
80% to less than 100%	90%

Example: Term Deposit of \$100,000.00 fixed at 2.00% p.a. for 12 months broken after 3 months

- Interest accrued until early repayment request (3 months elapsed): $\$100,000.00 \times (2.00\% \text{ p.a.} / 365 \text{ days} \times 90 \text{ days}) = \mathbf{\$493.15}$
- If Term Deposit terminated with 75% of term remaining = 80% interest rate reduction
- $\$493.15 \times 80\% = \394.52 reduction
Interest to be paid: $\$493.15 - \$394.52 = \$98.63$
 $\$98.63 - \30.00 (early withdrawal fee) = $\$68.63$

Total payment upon early withdrawal = \$68.63

Please refer to the Product Disclosure Statement for Deposit, Saving & Transaction Accounts for more information on Term Deposits features.

How we charge fees

Transaction fees, including ATM Withdrawal Fees and other fees specific to your product are debited from your account on the first day of the following month or upon account closure for account activity for the previous month.

Other fees such as those listed under section 3 – General Fees, Section 4 – Credit Card Fees, and Section 5 – Other Services Fees may apply upon use of a specific service or occurrence of a transaction or event, for example, Direct Debit Dishonour Fees.

At times, we may elect not to charge a fee, which we are otherwise entitled to charge, under the terms and conditions of your account. Any failure by us to charge a fee shall not constitute a waiver of that fee or the right to charge that fee.

If you close your account during the month, any accrued or pending fees, including Monthly Account Fees, may be debited from your closing balance.
