Terms in these Terms and Conditions and the Loan Agreement which are capitalised have special meanings which are explained in clause 53 of these Terms and Conditions.

You should read these documents carefully and retain them for future reference. Copies of each of the documents can be made available to you on request from us. Please contact us if you have any questions.

BOS is the credit provider for this Credit Card Contract.

If you are applying for a new Credit Card or requesting a Credit Limit increase, we must assess your application based on your ability to repay the entire Credit Limit within a three year period.

When you apply for a new Credit Card, you can let us know what your preferred Credit Limit is and we will not give you a Credit Limit that is more than what you requested. However, you should be aware that transactions may be

processed which nevertheless cause you to exceed your Credit Limit.

Your acceptance of our offer to provide credit on the terms and conditions in the Credit Card Contract occurs on the earliest of:

- the Credit Card linked to the Credit Card Account is activated;
- the Credit Card Account is used;
- a balance from a different credit card account is transferred to your Credit Card Account; or
- you make a payment to the Credit Card Account;

We will comply with the Banking Code of Practice relevant to your Credit Card Account, where that Code applies to your dealings with us.

- 4.7 Make sure that your Credit Card is still in your custody by checking regularly (even if you have not used your Credit Card for a while).

- 4.9 You are responsible for the safe storage and security of any Credit Card issued to you.

 - activate your Credit Card Account via internet banking or over the phone;
- 5.5 Your Credit Card may not be accepted unless it carries your signature and is used during the validity period shown on the Credit Card. Similarly, any Additional Cardholder's Credit Card may not be accepted unless it carries their signature and is used during the validity period shown on their Credit Card.

6. Card Issue and Replacement

- 6.1 We may automatically issue you and any Additional Cardholder with a replacement Credit Card, provided you have not previously requested us not to do so. The use of any replacement Credit Card is governed by the Credit Card Contract.

- 6.3 We also reserve the right to not reissue a Credit Card to you or any Additional Cardholder.

7. Your PIN and Passcodes

- 7.1 It is important to take all reasonable precautions to ensure your PIN and Passcodes remain secure and confidential. Your PIN and Passcodes should be memorised, and any correspondence notifying you of a PIN or Passcode must be destroyed. We will provide you with a Passcode to use internet or telephone banking if you request us to. The precautions we require you to take are set out below.
- 7.2 You must not:
- voluntarily disclose a PIN or Passcode to anyone, including a family member or friend or any of our staff;
 - let anyone else, whether acting as your agent or not, access our telephone or internet banking services using your PIN or Passcode;
 - select a Passcode or PIN that consists of repeated, ascending or descending numbers, numbers that are associated with your birth date, an alphabetic code which is a recognisable part of your name, or any other combination of numbers and letters readily identifiable with you;
 - give your Credit Card to anyone else or let them use it;
 - where a Device (such as a smartphone) is used to perform a transaction, write or make a record of any Pin or Passcode on the Device, or anything carried with the Device or anything liable to loss or theft with the Device, unless you make a reasonable attempt to protect the security of the Pin or Passcodes;
 - keep a record of any PIN or Passcode on your Credit Card or in or on anything you usually carry with your Credit Card as it could be lost or stolen at the same time as the Credit Card (without making a reasonable attempt to protect the security of the PIN or Passcode);
 - be careless about protecting the security of the PIN or Passcode; or
 - let anyone else see you entering your PIN at an ATM or EFTPOS terminal.
- 7.3 You must not act with extreme carelessness in failing to protect the security of your PIN or Passcodes – for example, storing a Passcode in an unprotected notebook under the heading 'internet banking password'.
- 7.4 As soon as you realise or suspect that anyone else knows your PIN or Passcode, or your Credit Card is lost, stolen or used without your permission, contact us immediately.
- 7.5 If you realise or suspect anyone else knows your Passcode or PIN, we will ask you to select a new Passcode or PIN using telephone banking or internet banking. If you do not select a new Passcode or PIN when asked, a stop will be placed on the relevant service until you do so.
- 7.6 If we know or suspect that anyone else knows your PIN or Passcode, we may place a stop on the relevant service. In that event, you can contact us for a new Passcode or PIN and have the stop removed.
- 7.7 Your PIN or Passcode(s) may be automatically de-activated after three unsuccessful attempts to enter your PIN or Passcode(s). If this happens, we can re-activate your PIN or Passcode(s) or send you a reminder of them, as long as the Credit Card is in your possession.
- 7.8 Changing your PIN via internet banking or mobile app. You can change your PIN via your Bank of Sydney Internet Banking account or via the Bank of Sydney app.

8. Mastercard® SecureCode Terms and Conditions

- 8.1 Accepting Mastercard® SecureCode Terms and Conditions:
- The Mastercard® SecureCode service ("SecureCode") is designed to provide you with improved security when a Credit Card is used to make purchases online. By completing or attempting to complete a SecureCode transaction, you are deemed to accept the terms and conditions in this clause 8.
- In this clause 8, "participating online merchant" means a retailer or merchant who offers goods or services for sale online, who is a participant in SecureCode.
- 8.2 You may use SecureCode to make purchases online. However, the SecureCode service may only be available in connection with participating online merchants.

When making an online Purchase or other transaction for which SecureCode applies you may be asked to provide certain information to us that allows us to validate your identity and verify that you are the cardholder of the specified Credit Card. The information that you provide may be validated against information we hold about you and may be validated against information held by third parties.

If you are unable to provide the requested information to validate your identity, or if the information you provide is inaccurate or incomplete, or if the authentication process otherwise fails, the Merchant may not accept the Credit Card or payment of that transaction using the Credit Card.

In order to use SecureCode, you must have the equipment and software necessary to make a connection to the Internet.

In the event you have a question regarding the authentication process or a transaction using your Credit Card, you should contact us.

Additional Cardholders may use the SecureCode service, but may be required to confirm their identity using your Credit Card Account details.

8.3 Acting reasonably, we may discontinue, terminate or suspend (permanently or temporarily) the SecureCode service, or any part of the SecureCode service without giving you prior notice. We may also change any aspect of functionality of the SecureCode service at any time without giving you prior notice.

8.4 You will know that an online Merchant is a participating online merchant because you will see the SecureCode logo and you may be asked to verify your identity before completing an online transaction with that Merchant.

We do not endorse or recommend any participating online merchant in any way.

Your correspondence or business dealings with, or participation in promotions of, online stores, through SecureCode, including payment for and delivery of related goods or services not purchased via SecureCode, and any other terms, conditions, warranties or representations associated with such dealings, are solely between you and the online store. Except as otherwise required by law, we have no responsibility or liability whatsoever arising out of or related to those dealings or the online store's goods, services, acts or omissions.

8.5 Subject to the warranty which is imported into these terms and conditions by law and which cannot be excluded, the SecureCode service is provided by us "as is" without warranty of any kind, either express or implied, including, but not limited to, any implied warranties of merchantability, fitness for a particular purpose, title or non-infringement.

We will not be liable for any damages whatsoever arising out of or in relation to:

- Your use of or access to (or inability to use or access) the SecureCode services; or
- Any other failure of performance, error, omission, interruption or defect, or any loss or delay in transmission or a transaction.

8.6 Whilst using the SecureCode service and our Internet Banking services, you agree not to:

- impersonate any person or entity using the SecureCode authentication process;
- upload, post, email or otherwise transmit any material that contains software viruses or any other computer code, files or programs designed to interrupt, destroy or limit the functionality of any computer software or hardware or telecommunications equipment used by the SecureCode service or by us;
- spam or flood our internet banking service and the SecureCode service;
- modify, adapt, sub-license, translate, sell, reverse engineer, decompile or disassemble any portion of the SecureCode service;
- remove any copyright, trademark, or other proprietary rights notices contained in the SecureCode service;
- 'frame' or 'mirror' any part of the SecureCode service without our prior written authorisation;
- use any robot, spider, site search/retrieval application, or other manual or automatic Device or process to retrieve, index, 'data mine', or in any way reproduce or circumvent the navigational structure or presentation of the SecureCode service;
- otherwise interfere with, or disrupt the SecureCode service or our internet banking services or servers or networks connected to us or the SecureCode service or violate these terms and conditions or any requirements, procedures, policies or regulations in relation to the SecureCode service; or
- intentionally or unintentionally violate any applicable local, state, national or international laws or regulations relevant or applicable to the SecureCode service.

9. Statement of Account

- 9.1 We will send you a statement of account each month where there is any financial activity, a balance outstanding or positive balance on the Credit Card Account. The statement will be expressed in Australian Dollars (AUD) and must be paid in AUD.
- 9.2 Each debit and credit to your Credit Card Account takes effect on the date we assign to it. This may not be the date on which it is processed. We may adjust any debit or credit at any time to reflect your and our obligations and the terms of your Credit Card Contract.
- 9.3 You should check each statement of account and notify us immediately if you think that any transaction was unauthorised or if there are any other errors.
- 9.4 You may request a copy of any statement of account at any time subject to any fee payable under this Credit Card Contract.

10. Repayment Obligation and Application of Payments

- 10.1 Payments to your Credit Card Account must be made in Australian dollars and can be made by:
 - transferring funds from another Bank of Sydney account using online banking or mobile banking;
 - using BPay®, either from another Bank of Sydney account or from another bank account; or
 - in any other way Bank of Sydney agrees with you.
- 10.2 The date you make your payment (Transfer Date) might differ from the date we process it (for example if you use another bank to send us the payment or the payment is received by us after 5pm AEST), and payments will not be treated as made until the date on which those payments are received and applied to the Credit Card Account by us.

Transfers from Bank of Sydney accounts may be applied to your account on a Business Day after the Transfer Date, without any guarantee that it will be the Business Day immediately following the Transfer Date. Transfers from both Bank of Sydney and non-Bank of Sydney accounts need to be cleared before we can increase the available balance of your Credit Card Account.

Cash payments made at a Bank of Sydney branch may be applied to your account on a Business Day after the payment was received.

Cheques are not accepted as payment for your Credit Card.

- 10.3 Any payment you make to your Credit Card will be applied first to the amounts that have the highest interest rate as at the last statement date. However, if you ask us to, we may agree to apply a repayment against a specific debt owed.
- 10.4 Your statement of account will show:
 - The minimum monthly payment (Minimum Monthly Payment Amount) that you must make to your Credit Card Account and when the payment is due; and
 - (where applicable) the greater of any Overdue Amounts or Overlimit Amount will be shown on your statement as "Amount Due Now" and is payable immediately.

Both the Minimum Monthly Payment Amount and the Amount Due Now must be paid each month. Your Minimum Monthly Payment will be due 25 days from the date your statement of account is issued.

You will only be required to make a payment when your Credit Card Account has a debit closing balance.

If the closing balance on your statement of account is less than \$10 the Minimum Monthly Payment Amount will be the entire closing balance of your Credit Card Account.

Subject to these general rules, the amount of payments you must make and when, will depend on whether you have an Overlimit Amount, an Overdue Amount, neither or both.

You may make payments that exceed the 'Minimum Monthly Payment' Amount and/or 'Amount Due Now' shown in your statement.

- 10.5 How the Minimum Monthly Payment Amount is determined if your account does not have any Overdue Amount and no Overlimit Amount:

'The Basic Calculation' of the Minimum Monthly Payment Amount is the greater of:

- \$10, or
- 3.0% of the closing balance of your Credit Card Account.

- 10.6 The total amount required to be repaid monthly is a combination of the Minimum Monthly Payment Amount and the Amount Due Now which is determined by the following scenarios:
- a) Account is in order (no Overlimit and no Overdue):
The Minimum Monthly Payment Amount will be the Basic Calculation as per clause 10.5.
 - b) Account is Overdue only:
The Minimum Monthly Payment Amount which must be paid by the due date, plus the Overdue amount which must be paid immediately.
 - c) Account is only Overlimit:
The Minimum Monthly Payment Amount which must be paid by the due date, plus the Overlimit amount which must be paid immediately.
 - d) Account is Overdue and Overlimit:
The Minimum Monthly Payment Amount which must be paid by the due date, plus the greater of the Overlimit and Overdue amounts which must be paid immediately.
- 10.7 If the statement of account due date is not a Business Day, the payment must be made on or by the next Business Day after the statement of account due date.

11. Fees and Charges

- 11.1 We will charge the Credit Card Account with fees and charges which become payable for the provision and operation of the Credit Card Account. The fees and charges applicable to the Credit Card Account are those shown in the Loan Agreement.
- 11.2 We will debit any applicable interest, credit fee or charge to your Credit Card Account as these charges accrue.
- 11.3 The monthly statement of account will detail all fees and charges applied to the Credit Card Account during the relevant statement period.
- 11.4 Any government duties, taxes, rates or other charges incurred in respect of your Credit Card Account will also be debited to your Credit Card Account as they accrue and will be payable by you.

12. Loss, Theft, Misuse or Unauthorised use of the Credit Card, PIN or Other Code (including reporting it to us)

- 12.1 If you or an Additional Cardholder believe a Credit Card has been misused, lost or stolen, or the PIN or Passcode has been misused or has become known to someone else, you or your Additional Cardholder must immediately contact us at any time on the emergency number listed in Clause 2.
- 12.2 Contacting us immediately may enable us to put a stop on a Credit Card straight away thereby preventing or minimising losses resulting from unauthorised transactions and your potential liability for such losses. When you contact us and a stop is put on your Credit Card, we will provide you with a reference number. Please keep a record of this number.
- 12.3 If our emergency numbers are not operating at the time notification is attempted, the loss, theft or unauthorised use must be reported to us as soon as possible. You can do this by making further attempts to call the indicated telephone numbers. Failing this, you should contact us by telephone during business hours on a Business Day (AEST). You will not be liable for any losses arising from the fact that our telephone service is not operating at the time of attempted notification, provided that the loss, theft or unauthorised use is reported to us as soon as possible thereafter or as soon as possible during business hours on a Business Day (AEST).
- 12.4 Once you have reported a lost, stolen, misused PIN, Passcode or Credit Card, or once you have reported that your PIN has become known by someone else, we may require you to attend one of our branches to complete documentation in relation to your report.
- 12.5 If you do not let us know if your Credit Card has been lost or misused, you may be held liable for any losses associated (as set out in clause 14).

13. Disputed Transactions and Chargebacks

- 13.1 If you dispute a transaction which has occurred in relation to your Credit Card Account (because it is

unauthorised or for some other reason) we may be able to chargeback the transaction through Mastercard®, subject to the chargeback rights under the Mastercard® card scheme.

- 13.2 Our ability to dispute transactions on your behalf and to seek a chargeback where you have used a terminal is limited to transactions where you have selected the 'credit' option (and not 'savings' or 'cheque'). It is also subject to time limits prescribed by Mastercard®.
- 13.3 If you wish to dispute a transaction made on your Credit Card Account and seek a chargeback, you should contact us as soon as possible.
- 13.4 The amount of the transaction in dispute will be withheld by us from your Credit Card Account, until the dispute is resolved.
- 13.5 **WARNING:** The ability to dispute a transaction may be lost if it is not reported within the timeframes we specify. To avoid losing any rights to a chargeback, please tell us within 90 days after the date of the statement of account which shows the disputed transaction and provide us with any information requested by us. If you unreasonably delay in reporting any disputed transaction to us, you may lose your ability to claim a chargeback.
- 13.6 If you contact us within 90 days after the statement of account showing the disputed transaction is issued, we will:
- a) claim a chargeback on your behalf under the Mastercard® card scheme; and
 - b) not accept a refusal of a chargeback by another financial institution (unless consistent with the Mastercard® card scheme rules).

14. Your Liability for Unauthorised Transactions

Note: If the Credit Card is issued to joint cardholders, each party is jointly and severally liable for all transactions on the Credit Card.

14.1 Your liability

a) When you are not liable.

- (i) You will not be liable for losses resulting from unauthorised transactions where it is clear that you have not contributed to the loss.
- (ii) You will not be liable for losses resulting from unauthorised transactions that:
 - Are caused by the fraudulent or negligent conduct of our staff or agents or of companies involved in networking arrangements or of Merchants who are linked to the electronic funds transfer system or of their agents or employees; or
 - Require the use of the Credit Card and/or PIN and occur before you receive your Card and/or PIN, (including a replacement or reissued Card or PIN). For the avoidance of doubt, receiving a PIN includes setting a PIN for the first time when your Credit Card is first issued; or
 - Occur after we have been notified that a Credit Card has been misused, lost or stolen or that PIN security has been breached; or
 - Require the use of your Credit Card and occur after you have requested us to cancel the Credit Card and you have either returned the Credit Card to us, or taken all reasonable steps to have the Credit Card destroyed or returned to us; or
 - Are made with a card, PIN, or identifier that is forged, faulty, expired or cancelled (as applicable); or
 - Are the result of the same transaction being incorrectly debited more than once to the same Credit Card Account; or
 - Are Electronic Transactions able to be made using an Identifier without a Pin/Passcode or Device; or
 - Are Electronic Transactions able to be made using a Device and not a Passcode or Pin, provided you did not unreasonably delay in reporting the loss or theft of the Device. You will not be liable for loss caused as a result of the failure of a system or equipment provided by any party to a shared electronic network to complete a transaction accepted by the system or equipment in accordance with your instructions.

b) When you are liable.

- (i) You will be liable for losses resulting from transactions which are carried out by you, or by another person with your knowledge and consent.

You are liable for any loss arising out of any transaction (authorised or unauthorised) that requires a manual signature authorisation after you have lost your Credit Card, but before we are informed that the Credit Card has been misused, lost or stolen.

You are also liable where you have failed to meet the security obligations in these Terms and Conditions.

It is your responsibility to keep your Credit Card safe and secure. The fact that you were unaware of your Credit Card being lost or stolen does not reduce or remove your liability.

- (ii) You will be liable for actual losses resulting from unauthorised transactions caused by or contribute to you:
- Engaging in fraud; or
 - Voluntarily disclosing your PIN to anyone, including a family member or friend; or
 - Keeping a record of your PIN:
 - Without making a reasonable attempt to disguise it or to prevent unauthorised access to it; and
 - In a way that it could be lost or stolen with your Credit Card; or
 - Writing your PIN on your Credit Card; or
 - Selecting a PIN which represents your birth date, or being an alphabetical PIN which is a recognisable part of your name, given that we have asked you not to select such a PIN and told you of the consequences of doing so; or
 - Leaving a Credit Card in an ATM (provided the ATM incorporates reasonable safety standards that mitigate the risk of a Credit Card being left in the ATM); or
 - Acting with extreme carelessness with respect to protecting your PIN or Passcodes; or
 - Breaching any of the Credit Card security measures incorporated within these Terms and Conditions.
- (iii) You will also be liable for actual losses resulting from unauthorised transactions caused by you unreasonably delaying notifying us or Mastercard® Card Hotline of the misuse, loss or theft of your Credit Card, or of your PIN or Passcode becoming known to someone else. Your liability will only extend to losses which occur between the time when you became aware (or should reasonably have become aware) of such misuse, loss or theft and when we were actually notified.
- (iv) You will not be liable to pay for:
- That portion of the losses incurred on any one day which exceed the daily transaction limit applicable to your Credit Card or Credit Card Account;
 - That portion of losses which exceed any other periodic transaction limit(s) applicable to that period;
 - That portion of the losses incurred which exceed the balance of your Credit Card Account or your Credit Limit, including any pre-arranged credit;
 - Losses incurred on any Credit Card Account which you and the Bank had not agreed could be accessed using the Credit Card and PIN;
 - Losses occurring after we have been notified that the Credit Card has been misused, lost or stolen or that the security of the PIN has been breached.
- (v) Your liability is subject to us proving on the balance of probability that you contributed to the losses in one or more of the ways listed above.

c) When limited liability applies

You will only be liable for losses resulting from unauthorised transactions to a limited extent, in circumstances where a PIN or Passcode was required to perform the transaction and it is unclear whether you contributed to the loss. Your liability in such cases will be the least of:

- \$150; or
- The balance of the Credit Card Account or Credit Limit of your Credit Card Account, including any pre-arranged credit; or
- The actual loss at the time we are notified of the misuse, loss or theft of the Credit Card or of the PIN becoming known to someone else (excluding that portion of the loss incurred on any one day which exceeds the applicable daily transaction limit).

You will not be liable for losses resulting from an unauthorised Electronic Transaction made using your Credit Card to the extent they exceed what your liability would have been had we exercised any rights we had under the rules of the relevant credit card scheme at the time you reported the unauthorised transaction to us against other parties to the scheme.

Our liability for any loss arising from equipment or system unavailability or malfunction, where you should reasonably have been aware that the system or equipment was unavailable or malfunctioning, is limited to:

- (i) Correcting any errors; and
- (ii) Refunding any fees or charges imposed on you.

14.2 When we may not process your claim

In the event you dispute a transaction, we may ask you to provide certain information, complete certain documentation or do certain things, such as file a police report. Where we request information from you in relation to the disputed transaction, it is expected that you will supply this information within 14 days. In cases where you do not provide us with the information we request within 14 days, we may be unable to process your claim and the disputed charge(s) may remain your responsibility.

14.3 ePayments Code and your liability for unauthorised transactions

Liability for losses resulting from unauthorised transactions is determined under the relevant provisions of the ePayments Code where that Code applies, despite these Terms and Conditions. Your liability is also subject to us proving on the balance of probability that you contributed to the losses.

15. Credit Card Acceptance

- 15.1 Financial institutions and Merchants displaying the Mastercard® symbol will normally accept your Credit Card.
- 15.2 A Merchant may charge you extra to pay for goods and services using your Credit Card.
- 15.3 We do not accept any liability:
 - a) if any financial institution or Merchant displaying a Mastercard® symbol refuses to accept a Credit Card; and
 - b) for goods and services purchased with a Credit Card.
- 15.4 Any complaints about goods and services purchased with a Credit Card must be resolved directly with the Merchant concerned.

16. Credit Limits and Withdrawals using your Credit Card

- 16.1 Your initial Credit Limit is set out in your Loan Agreement.
- 16.2 You can ask us to increase the Credit Limit, including by contacting us via our website - www.banksyd.com.au, at any time. We are not required to agree to any such request.
- 16.3 If you request that we increase your Credit Limit, we will assess your application based on your ability to repay the entire Credit Limit within a three year period.
- 16.4 We will not contact you to offer credit increase invitations, even if you have previously provided consent to receive these invitations.
- 16.5 You may contact us at any time, including via our website, www.banksyd.com.au, in order to decrease the Credit Limit. Any such approval will be subject to any product features that apply (for example, where the product requires a minimum limit). You will still be required to first repay any amount above the new limit.
- 16.6 We will take reasonable steps to ensure that our website is available to be used to advise us of your desire to apply to increase your Credit Limit or to reduce your credit limit at all times.
- 16.7 We may reduce your Credit Limit, or refuse to provide you with credit at any time acting reasonably and upon notice to you.
- 16.8 You must ensure that your Credit Card Account balance must not exceed your Credit Limit. Any amount in excess of the Credit Limit must be paid to us immediately.
- 16.9 All Purchases and Cash Advances made through your Credit Card are limited to the available Credit Limit of your Credit Card Account.
- 16.10 We are not responsible for any Merchant or terminal that rejects a Credit Card, or imposes restrictions on your Credit Card.
- 16.11 You must check that the correct amounts are entered into the terminal before you approve the transaction.
- 16.12 You must resolve any disputes with the Merchant about incorrect charging or supply of goods and services.
- 16.13 When you authorise a transaction, you are confirming:
 - the validity of the amount of the transaction, and
 - that the transaction correctly represents the Purchase price of the goods or services obtained, or the amount

- of the Cash Advance; and
 - your agreement to repay the amount of that transaction (in Australian dollars).
- 16.14 Your instructions to debit your Credit Card Account and pay another person are final and irrevocable. Once made, they cannot be changed, altered or stopped.
- 16.15 You agree that we can debit the Credit Card Account with all transactions authorised by you. Transactions can be authorised in a number of ways, including:
- using your Credit Card, alone or together with your PIN, at any electronic terminal;
 - presenting your Credit Card to a Merchant and signing a voucher or other documentation acceptable to us authorising the transaction; or
 - providing the Credit Card Account details to a Merchant or to any other party to whom payment is to be made, either directly or via a third party, in a manner acceptable to us, for example, over the phone or online.
- 16.16 You must not use your Credit Card for any unlawful purpose.
- 16.17 We may choose not to authorise or process a transaction at any time. We will not be liable to you or anyone else for any loss or damage resulting from our reasonable refusal to authorise a transaction and you indemnify us in respect of any such loss.
- 16.18 Authorised periodical Recurring Payments made from your Credit Card can only be cancelled by you directly contacting the relevant Merchant.
- 16.19 The maximum Cash Advance amount per statement of account cycle is 30% of your Credit Limit. The maximum daily Cash Advance amount available from an ATM for the account is currently AUD\$1,000 or 30% of your Credit Limit (whichever is lesser). However, some financial institutions may impose a lower maximum and/or a minimum amount. Cash Advances from ATMs will only be available upon entry of the correct PIN when using your Credit Card.
- 16.20 The maximum transaction limit for Contactless purchases as set by Mastercard is listed in your Loan Agreement.
- 16.21 A Cash Advance cannot be made using a Credit Card at a Contactless reader.
- 16.22 Payments using the Contactless functionality can only be made at a participating Merchant outlet. The Merchant or other person may impose their own restrictions on a Purchase using a contactless reader. We have no control over whether a Merchant will accept a contactless Purchase.
- 16.23 We may temporarily or permanently block a transaction or the use of a Credit Card and/or your Credit Card Account if:
- we have reason to suspect unauthorised or unlawful activity on your account;
 - it is necessary to comply with any applicable law; or
 - it is otherwise reasonably necessary to protect our legitimate interests.
- Should this occur we will endeavour to inform you of the block, but may not be able to do so prior to implementing the block.
- We will not be liable to you or anyone else for any loss or damage resulting from a temporary or permanent block on use of your Credit Card and/or Credit Card Account and you indemnify us in respect of any such loss.

17. Additional Cardholders

- 17.1 You may authorise another person to be an Additional Cardholder. The authorisation will only be effected if we agree to it. The person you authorise must be 18 years old or older.
- 17.2 You are liable for the operation of the Credit Card Account by an Additional Cardholder.
- If any Additional Cardholder does not comply with the Credit Card Contract, you will be held liable. You should ensure that each Additional Cardholder receives a copy of the Credit Card Contract and reads and understands it.
- 17.3 You acknowledge and agree that any Additional Cardholder can:
- a) operate the Credit Card Account in the same or in a similar manner as you (an Additional Cardholder cannot request us to increase the Credit Limit or nominate another person to receive an additional Credit Card); and
 - b) access financial information about the Credit Card Account including information relating to the Credit Card Account balance, specific transactions, the available credit amount and the Minimum Monthly Payment Amount.

- 17.4 You can cancel the Additional Cardholder's authority by notifying us. Once the Additional Cardholder's Credit Card has been cancelled, you should destroy it or return it to Bank of Sydney. You must take all reasonable steps to have the additional Credit Card destroyed or returned to us. If you cannot retrieve or destroy the additional Credit Card, please contact us.
- 17.5 You will not be liable for the continued use of the additional Credit Card from the time you have advised us that you want it cancelled and have taken all reasonable steps to have the additional Credit Card returned to us or destroyed. Reasonable steps may vary depending on the circumstances. As a minimum step, we will require you to contact the Additional Cardholder, (or try to contact the Additional Cardholder) and request them to surrender the additional Credit Card to you or us or provide us with evidence that the Credit Card has been destroyed.

18. Foreign Transactions

- 18.1 Foreign Transactions incur the Foreign Transaction Fee. All Foreign Transactions which we charge to your Credit Card Account are subject to fees and charges. Details of these fees and charges are set out in your Loan Agreement or in any notice we give you notifying you of a change in those fees and charges. Details are also available on our website. Note that even if an amount from a Merchant is quoted in AUD, the amount may still be in a foreign currency and will require conversion. Some Merchants may charge a surcharge.

- 18.2 Foreign Transactions in a currency other than Australian dollars.

Your Credit Card Account statement entries for Foreign Transactions made in a currency other than Australian dollars (a 'foreign currency') will include the foreign currency amount converted into Australian dollars by Mastercard®, and the Foreign Transaction Fee.

The applicable method of conversion is as follows: Mastercard converts the transaction into Australian dollars at the conversion rate or rates Mastercard applies when it processes the transaction.

Note: Foreign exchange rates quoted by BOS from time to time are not used to convert Foreign Transactions made in a foreign currency to Australian dollars. The exchange rates used to convert Foreign Transactions are set by Mastercard®.

- 18.3 Foreign Transactions in Australian dollars.

Your Credit Card Account statement entries for Foreign Transactions made in Australian dollars will include the Australian dollar amount and the Foreign Transaction Fee.

Note: the Foreign Transaction Fee may be charged in circumstances where you may not be aware that the Merchant or entity processing the transaction is located outside Australia.

- 18.4 Refunds and Chargebacks of Foreign Transactions.

Any refund or chargeback relating to a Foreign Transaction made in a currency other than Australian dollars will be converted to Australian dollars by Mastercard® in accordance with clause 18.2 above. The exchange rate used for the refund or chargeback may differ from the rate applicable when the Foreign Transaction was initially processed. This means that the amount of the refund may be for a lower amount than the original transaction.

A Foreign Transaction Fee charged on a Foreign Transaction will be reversed if a chargeback is applied to the transaction.

Foreign Transactions which are refunded by the Merchant other than via a chargeback process will still incur the Foreign Transaction Fee on the original transaction. No Foreign Transaction Fee will be charged on the refund transaction.

- 18.5 Purpose of use

- a) Your Credit Card must be used wholly or predominantly for personal, domestic or household expenditure. We reserve the right to determine, in any instance, whether use or proposed use of your Credit Card has been or will be in accordance with this requirement.
- b) You must not use your Card for any unlawful purpose, including the purchase of goods or services prohibited by the laws of Australia and/or the laws of the location where the Credit Card is used or where the goods or services are provided.
- c) It is an offence under Australian law to conduct transactions on an account which may lead to an actual or attempted evasion of a taxation law, or an offence under any other Commonwealth or Territory law. Where BOS has reasonable grounds to suspect that such a transaction(s) has occurred on the Credit Card Account, We are obliged to lodge a suspicious matter report with the Federal Government (AUSTRAC).

19. Authorisations

- 19.1 Before any transaction is made, the Merchant or other person involved in the transaction may obtain an authorisation or place a hold on your Credit Card Account for the transaction. This authorisation or hold is for the purpose of establishing that there are sufficient funds available in the Credit Card Account for the transaction to be made in the future. For example, for transactions related to paying a deposit for accommodation or car rentals.
- 19.2 Once the authorisation or hold is obtained, it will reduce the amount of available funds in your Credit Card Account. If the Purchase or other transaction is not completed, the amount which has been authorised or put on hold will not be refunded until five Business Days after the authorisation is obtained.

20. Balance Transfer

- 20.1 You may transfer the balance of another credit card from another credit provider to your Credit Card Account if we agree, and if:
- the amount transferred is not less than \$500;
 - the balance of your Credit Card Account after the transfer will not exceed 95% of your Credit Limit; and
 - your account is not in arrears or is not a Delinquent Account.
- 20.2 We may refuse or limit a Balance Transfer at our discretion, acting reasonably.
- 20.3 We will not be liable for any overdue payment or interest incurred on an existing credit card account.
- 20.4 We are not responsible for closing an existing credit card account when you make an application for a Balance Transfer. We may require you to cancel your credit card account with the transferring credit provider as a condition of the Balance Transfer.
- 20.5 Once the amount of the Balance Transfer has been provided to the organisation you have nominated, we will not be responsible for any delays in processing the payment.
- 20.6 You must pay any interest charged by us on Balance Transfers at the applicable annual percentage rate. Interest applies from the date we fund your Balance Transfer request, until you repay the transferred amount in full. If interest is not charged on a Balance Transfer during a promotional period, interest will accrue on the Balance Transfer amount in accordance with these Terms and Conditions if the amount is not repaid in full before the end of the promotional period.
- 20.7 Discounted interest rates on Balance Transfers offered as part of a promotion will not apply to transfers from other Bank of Sydney issued credit cards.
- 20.8 If you have an introductory balance transfer offer on your Credit Card, we will give you at least 30 days' notice before it is due to end.

21. Interest Rates for Purchases, Cash Advances and Other Payments

- 21.1 The annual percentage rates that apply to your Credit Card Account are set out in your Loan Agreement. Different interest rates may apply for Purchases, Cash Advances and other transactions.

22. Interest Calculation and Debiting Interest

- 22.1 The daily percentage rate is the applicable annual percentage rate divided by 365.
- 22.2 We will calculate interest daily by:
- first subtracting any interest free Purchases and interest free transactions from the unpaid daily balance of the Credit Card Account at the end of the day; and
 - multiplying the unpaid daily balance, or any applicable part of the unpaid daily balance by the applicable daily percentage rate.
- 22.3 Interest and fees and charges will be added to the balance outstanding on your Credit Card Account, and will accrue interest at the applicable daily percentage rate.

22.4 We will deduct interest on the closing day of each statement period (normally the 25th of each month). We will also deduct interest on the day we close your Credit Card Account.

22.5 The maximum length of the interest free period for Purchases is 55 days. The interest free period starts on the date the Purchase first appears on your statement and ends on the due date for payment on that statement. You will not be charged interest on Purchases if you pay the closing balance shown on each statement by the due date on that statement.

If you do not pay the closing balance for each statement in full by the due date on that statement, interest will be charged on the outstanding balance of any Purchase from the day after the due date on that statement.

22.6 The daily percentage rate will be applied to the balance not paid for by the due date, from the date each unpaid Purchase first appeared on your statement until the day before the date the unpaid Purchase is paid.

22.7 We will charge interest on Cash Advances by applying the daily percentage rate applicable to Cash Advances to the daily unpaid balance of Cash Advances and related Cash Advance fees from the date each Cash Advance first appeared on your statement until the day before the Cash Advance is paid. There is no interest free period for Cash Advances.

22.8 We may provide you with promotional offers from time to time across the following transactions:

- Purchases;
- Cash Advances; and
- Balance Transfers

From time to time, we may offer a special interest rate (Promotional Interest Rate) that will apply to a Balance Transfer or Purchases made during a promotional period. Offering a Promotional Interest Rate will be at our sole discretion and may be withdrawn at any time, prior to that promotional offer being accepted. Where a promotional offer is made, we will provide you with information about any terms of the promotional offer, including the Promotional Interest Rate, on our website or at your request.

The Promotional Interest Rate that applies under a promotional offer may differ to the standard interest rate that applies to a transaction. That Promotional Interest Rate will apply to the relevant Balance Transfer or Purchase during the Promotional Interest Rate period. At the end of a Promotional Interest Rate period, any outstanding balance (including interest) in relation to Balance Transfer or Purchases that is the subject of the promotional offer will revert to the Standard Purchase Rate.

You may also have to pay our reasonable enforcement expenses, including any amount reasonably incurred by the use of our staff and facilities, in the event of a default under the Credit Card Contract.

23.3 Subject to clause 23.4, before we require immediate repayment in full pursuant to clause 23.2 you will be given 30 days' written notice to allow you an opportunity to remedy the default. You agree that this notice period does not waive our rights to, at a future point in time, give you a notice and require immediate repayment in full if we:

- Fail to give you notice of a default when it occurs; or
- Give you notice of a default but we do not require immediate repayment in full.

23.4 We may provide your details to one or more credit reporting bodies for the purpose of advising that you have defaulted and/or committed a serious credit infringement. For details please see our Privacy Policy (which is available online at www.banksyd.com.au or call us on 13 95 00.

- 27.4 A dishonour fee may also be charged when you authorise a third party to deduct payment off your Credit Card Account and payment is not made because there is insufficient credit in your Credit Card Account to meet the payment.

- 27.5 If the Merchant continues to deduct payments off your Credit Card Account after you have requested them to cancel your authority, we are able to dispute the transaction on your behalf, subject to you providing us with any relevant documents we require.

- 41.1 You agree that you will provide us with all necessary information in order for us to comply with our obligations under the AML/CTF Legislation; or the Mastercard® scheme rules.
- 41.2 In order for us to meet regulatory and compliance obligations, you should be aware of the following:
- Transactions and Payments may be delayed, blocked, frozen and refused where we have reasonable grounds to believe that they breach Australian law or sanctions (or the law or sanctions of another country). Where transactions or Payments are delayed, blocked, frozen or refused, we and our correspondents are not liable for any loss you suffer (including consequential loss) howsoever caused in connection with a Credit Card or your Credit Card Account;
 - We may from time to time require additional information from you or an Additional Cardholder to assist us in the above compliance process; and
 - Where legally obliged to do so, we will disclose the information gathered to regulatory and/or law enforcement agencies, other financial institutions and banks, our related entities, service providers or to other third parties.
- 41.3 You provide to us the following undertakings and indemnify us against any potential losses arising from any breach by you or an Additional Cardholder of such undertakings:

- 42.1 You must advise us immediately if you change your address. You must always provide us with a valid residential address and a valid email address and telephone contact number.

43. Waiver

- 43.1 A failure or delay by us to exercise, or partially exercise, a right or power under the Credit Card Contract does not result in a waiver of that right or power.
- 43.2 You may not rely on any conduct, representation or statement by us or our employees as a defence to the exercise of a right or power conferred on us by the Credit Card Contract.

44. Transfer of our Rights

- 44.1 We may assign, novate or otherwise deal with our rights under your Credit Card Contract without your consent and in any way we consider appropriate, acting reasonably. You authorise us to disclose any personal information, credit information or other information about the Credit Card Account to any person in connection with the assignment or potential assignment.
- 44.2 You may not assign, novate or otherwise deal with your rights under this Credit Card Contract without our consent.

45. Reading Down and Severance

- 45.1 If apart from this clause, the application of a mandatory law or code would apply to a particular part of this Credit Card Contract so that it would make that part of the Credit Card Contract void, unenforceable or in breach of a law or code, then the relevant part of the Credit Card Contract will be:
- read down; and
 - construed as if it were varied so we are not required or permitted to apply or rely on that part of the Credit Card Contract in a way that is inconsistent with that law or code;
- 45.2 Paragraph 45.1 prevails over any other part of the Credit Card Contract.
- 45.3 If despite this clause, any part of this Credit Card Contract is void, unenforceable or remains in breach of a law or code referred to in (45.1), then that part of the Credit Card Contract will be treated as ineffective and severed to the extent only that part of the Credit Card Contract is void, unenforceable or in breach but without invalidating the other parts of this Credit Card Contract.

- 46.1 Where this Credit Card Contract confers a discretion on us, we will exercise that discretion reasonably.

47. Governing Law and Jurisdiction

- 47.1 This Credit Card Contract is governed by the laws of New South Wales. You agree to submit to the jurisdiction of the Courts of New South Wales.

- 48.1 We may assign, novate or otherwise deal with our rights and obligations under this Credit Card Contract in any way we wish, acting reasonably. We do not require your consent to do so. You must sign anything and do anything we reasonably require to enable any dealing with this Credit Card Contract. Of course, any dealing with our rights does not change your obligations under this Credit Card Contract. We may disclose information about you or this Credit Card Contract to anybody involved in an actual or proposed assignment, novation or dealing by us with our rights under this Credit Card Contract.

49. Right to Combine Accounts

- 49.1 We can combine the total outstanding debits or credits under two or more of your accounts with us, even if the accounts are not all Credit Card Accounts or if the accounts are held at different branches. This may happen when one of your accounts is Overdrawn, Overlimit or is in debit and another is in credit.

This means, for example, that the credit in one account can be used to repay all or part of the outstanding balance on another account (for example, the Credit Card Account). We will promptly inform you if we combine any of your accounts. We are not required to give notice in advance. You should not treat your accounts as combined unless we have agreed to such an arrangement.

50. Events beyond our Control

- 50.1 To the extent permitted by law, we will not be liable to you for any loss or damage (whether direct or consequential), nor be in default under the Credit Card Contract, for failure to observe or perform any of our obligations under the Credit Card Contract for any reason or cause which could not, with reasonable diligence, be controlled or prevented by us, including acts of God, acts of nature, acts of government or their agencies, strikes or other industrial action, fire, flood, storm, riots, power shortages or failures, sudden and unexpected system failure or disruption by war or sabotage.

Part D – Information Statement

Things you should know about your proposed credit contract

This statement informs you of some of your rights and obligations and those of your credit provider. It does not state the terms and conditions of your contract.

If you have any concerns about your contract, contact your credit provider and, if you still have concerns, your credit provider’s external dispute resolution scheme, or obtain legal advice.

54. The Contract

54.1 How can I get details of my proposed credit contract?

Your credit provider must provide you with a pre-contractual statement containing certain information about your contract. The pre-contractual statement, and this document, must be given to you before:

- your contract is entered into; or
- you make an offer to enter into the contract- which ever happens first.

54.2 How can I get a copy of the final contract?

You have been provided a copy of the contract. If you want another copy of your contract, write to your credit provider and ask for one. Your credit provider may charge you a fee. Your credit provider is obliged to give you a copy:

- within 14 days of your written request if the original contract came into existence 1 year or less before your request; or
- otherwise within 30 days of your written request.

54.3 Can I terminate the contract?

Yes. You can terminate the contract by writing to the credit provider so long as:

- you have not obtained any credit under the contract; or
- a card or other means of obtaining credit given to you by your credit provider has not been used to acquire goods or services for which credit is to be provided under the contract.

However, you will still have to pay any fees or charges incurred before you terminated the contract.

54.4 Can I pay my credit contract out early?

Yes. Pay your credit provider the amount required to pay out your credit contract on the day you wish to end your contract.

54.5 How can I find out the pay-out figure?

You can write to your credit provider at any time and ask for a statement of the pay-out figure as at any date you specify. You can also ask for details of how the amount is calculated.

Your credit provider must give you the statement within 7 days after you submit your request to them. You may be charged a fee for the statement.

54.6 Will I pay less interest if I pay out my contract early?

Yes. The interest you can be charged depends on the actual time the money is owing. However, you may have to pay an early termination charge (if your contract permits your credit provider to charge one) and other fees.

54.7 Can my contract be changed by my credit provider?

Yes, but only if your contract says so.

54.8 Will I be told in advance if my credit provider is going to make a change in the contract?

That depends on the type of change. For example:

- you get at least same day notice for a change to an annual percentage rate. That notice may be a written notice to you or a notice published in a newspaper.
- you get 20 days advance written notice for:
 - a change in the way in which interest is calculated; or
 - a change in credit fees and charges; or
 - any other changes by your credit provider; except where the change reduces what you have to pay or the change happens automatically under the contract.

54.9 Is there anything I can do if I think that my contract is unjust?

Yes. You should first talk to your credit provider. Discuss the matter and see if you can come to some arrangement.

If that is not successful, you may contact your credit provider's external dispute resolution scheme. External dispute resolution is a free service established to provide you with an independent mechanism to resolve specific complaints.

Your credit provider's external dispute resolution provider is the Australian Financial Complaints Authority (AFCA) and can be contacted by:

Telephone: 1800 931 678

Website: www.afca.org.au

Email: info@afca.org.au

Postal Address: AFCA, GPO Box 3

You can also contact ASIC, the regulator, for information on 1300 300 630 or through ASIC's website at www.asic.gov.au.

55. Insurance

55.1 Do I have to take out insurance?

Your credit provider can insist that you take out or pay the cost of types of insurance specifically allowed by law. These are compulsory third party personal injury insurance, mortgage indemnity insurance or insurance over property covered by any mortgage. Otherwise, you can decide if you want to take out insurance or not. If you take out insurance, the credit provider cannot insist that you use any particular insurance company.

55.2 Will I get details of my insurance cover?

Yes, if you have taken out insurance over mortgaged property or consumer credit insurance and the premium is financed by your credit provider. In that case the insurer must give you a copy of the policy within 14 days after the insurer has accepted the insurance proposal.

Also, if you acquire an interest in any such insurance policy which is taken out by your credit provider then, within 14 days of this occurring, your credit provider must ensure that you have a written notice of the particulars of that insurance.

You can always ask the insurer for details of your insurance contract. If you ask in writing your insurer must give you a statement containing all the provisions of the insurance contract.

55.3 If the insurer does not accept my proposal, will I be told?

Yes, if the insurance was to be financed by the credit contract. The insurer will inform you if the proposal is rejected. The insurer will inform you if the proposal is rejected.

55.4 In that case, what happens to the premiums?

Your credit provider must give you a refund or credit unless the insurance is to be arranged with another insurer.

55.5 What happens if my credit contract ends before any insurance contract over mortgage property?

You can end the insurance contract and get a proportionate rebate of any premium from the insurer.

56. General

56.1 What do I do if I cannot make a repayment?

Get in touch with your credit provider immediately. Discuss the matter and see if you can come to some arrangement. You can ask your credit provider to change your contract in a number of ways:

- to extend the term of your contract and reduce payments; or
- to extend the term of your contract and delay payments for a set time; or
- to delay payments for a set time.

56.2 What if my credit provider and I cannot agree on a suitable arrangement?

If the credit provider refuses your request to change the repayments, you can ask the credit provider to review this decision if you think it is wrong.

If the credit provider still refuses your request you can complain to the external dispute resolution scheme that your credit provider belongs to.

Further details about this scheme are set out below in clause 57.2.

56.3 Can my credit provider take action against me?

Yes, if you are in default under your contract. But, the law says that you cannot be unduly harassed or threatened for repayments. If you think you are being unduly harassed or threatened, contact the credit provider's external dispute resolution scheme or ASIC, or obtain legal advice.
