If you do not have all parts of the PDS, please contact Bank of Sydney on **13 95 00** (Mon - Fri, 9am - 5pm AEST) to arrange for them to be sent to you. These documents can also be obtained in any of our branches or from our website: banksyd.com.au

These Terms and Conditions must be read together with the Bank of Sydney General Banking Fees & Charges Guide, the Deposit, Saving & Transaction Accounts PDS and where applicable, any other Terms and Conditions or PDS relating to your banking product or service. Together, they govern the use of the VISA Debit Card and your Linked Account. Where there is an inconsistency between any of these Terms and Conditions, the provisions of the Bank of Sydney VISA Debit Card Terms & Conditions will apply.

You should read all these documents carefully and retain them for future reference. Copies of each of the documents can be made available to you on request from Bank of Sydney.

What these Terms and Conditions mean for you.

These Terms and Conditions comply with the ePayments Code which regulates consumer electronic payments including ATM, EFTPOS, Debit and Credit Card transactions, online payments, Internet Banking and BPAY®.

It applies to the use of the following which are outlined in this document:

- VISA Debit Card transactions using a PIN;
- VISA Debit Card transactions online using a CVV;
- VISA Debit Card transaction online using Verified by VISA; and
- VISA Debit Card transactions requiring a manual signature.

The VISA Debit Card is offered to you subject to the Terms and Conditions herein contained and to such other Terms and Conditions, Privacy Statement, security notices, disclaimers and any other rules of use disclosed in writing.

Note: These Terms and Conditions become binding as soon as we have supplied them to you (or any other user), and you (or that other user) accept the VISA Debit Card and PIN. Your first use of a VISA Debit Card and/or PIN will be taken as your agreement to comply with these Terms and Conditions.

It is important that you read and understand these Terms and Conditions.

Note: Any advice contained in these Terms and Conditions do not take into account your personal objectives, needs or financial situation. You must consider whether any advice is appropriate to your circumstances before acting upon it.

You should follow the guidelines below to protect against unauthorised use of the VISA Debit Card and PIN. These guidelines provide examples of security measures only and will not determine your liability for any losses resulting from unauthorised Electronic Funds Transfer Transactions. Liability for such transactions will be determined in accordance with clause 4 of this PDS and the ePayments Code.

4. General Guidelines for Ensuring the Security of the VISA Debit Card and PIN

- Sign the VISA Debit Card as soon as you receive it;
- Keep the VISA Debit Card in a safe place;
- Never write the PIN on the VISA Debit Card;
- Never write the PIN on anything which is kept with or near the VISA Debit Card;
- Never lend the VISA Debit Card to anybody;
- Never tell or show the PIN to another person;
- Never tell anyone any of your VISA Debit Card details;
- Use care to prevent anyone seeing the VISA Debit Card number and PIN being entered at Electronic Equipment;
- Immediately report the loss, theft or unauthorised use of the VISA Debit Card to Bank of Sydney;
- Keep a record of your VISA Debit Card number and the Bank of Sydney - 13 95 00 line with your usual list of emergency telephone numbers;
- Examine your periodical statement immediately upon receiving it to identify and report, as soon as possible, any instances where the VISA Debit Card has been used without your authority; and
- Immediately notify Bank of Sydney of any change of address.

5. Information regarding your VISA Debit Card

5.1 You must:

- a) sign your VISA Debit Card without delay upon receiving it;
- b) ensure that where an additional VISA Debit Card is issued to your Nominee, your Nominee signs the VISA Debit Card issued to them immediately upon receiving it and before using it;
- c) make sure that your VISA Debit Card is still in your custody by checking regularly (even if you have not used your VISA Debit Card for a while);
- d) carry your VISA Debit Card at all possible times and keep it in a secure and safe place.

5.2 You may apply to have a person authorised to transact on your account with a VISA Debit Card. Approval is at our discretion and all liability for transactions made on the account are your responsibility.

5.3 You are responsible for the safe storage and security of any VISA Debit Card issued to any User. *Note: If you lose your VISA Debit Card overseas, Bank of Sydney cannot issue you with a replacement VISA Debit Card until you return to Australia.*

6. Safeguarding your PIN

We will provide a PIN to use the VISA Debit Card with certain Electronic Equipment. You agree to protect this PIN as a means of preventing fraudulent or unauthorised use of the VISA Debit Card.

6.1 Correct methods of keeping your PIN secure are:

- a) The PIN should be memorised as soon as the letter containing the PIN is received. Thereafter the letter should be destroyed;
- b) Do not inform anyone of your PIN or allow anyone to find out what your PIN is (this includes friends and family);
- c) Do not record the PIN on the VISA Debit Card or keep a record of the PIN on any thing which is kept with or near the VISA Debit Card unless reasonable steps have been taken to carefully disguise the PIN or to prevent unauthorised access to that record;
- d) Do not keep your VISA Debit Card and PIN or PINs together;
- e) Do not let anyone view you entering your PIN, as by ensuring that there are no security cameras, mirrors or any other means of observing you entering your PIN, and making every attempt to protect it;
- f) Be ready to make the transaction when you approach the ATM;
- g) Do not leave anything behind at an ATM or merchant outlet after a transaction is complete that could reveal your PIN.

6.2 Incorrect methods of keeping your PIN secure are:

- a) Recording the PIN by reversing the number sequence;

- b) Recording the PIN as a telephone number where no other telephone numbers have been written down;
 - c) Recording the PIN as a series of words or numbers with the PIN being marked or circled in such a way to indicate it;
 - d) Recording the PIN as any date (e.g. 20/3/95) or a date of birth, a postcode or a telephone number;
 - e) Recording the PIN in an easily understood code such as A=1, B=2, C=3, etc.
 - f) Recording your PIN or the disguised record on a VISA Debit Card.
 - g) Voluntarily disclosing your PIN to anyone (including a family member or friend);
 - h) You indicating your PIN on the outside of the VISA Debit Card or keeping a record of the PIN on an article carried with the VISA Debit Card;
 - i) Unreasonably delaying to inform us that a VISA Debit Card has been misused, lost or stolen or that the security of the CVV code or PIN has been breached.
- 6.3 Never keep the PIN record and the VISA Debit Card in a location where a thief could get hold of both the VISA Debit Card and the disguised PIN. You must keep PIN records separate and well apart from your VISA Debit Card and you must make certain that VISA Debit Cards and PINs are never kept together, such as:
- a) storing your VISA Debit Card and PIN in the same item/object which itself can be lost or stolen (e.g. in the same briefcase, folder, wallet, bag or purse); or
 - b) in the same car; or
 - c) at home in the same item of furniture (e.g. different drawers of the same office table); or
 - d) in any other situation where a VISA Debit Card could be reasonably thought as to be not separate and well apart from a PIN record.
- 6.4 Changing your PIN
- a) You can change your PIN via your Bank of Sydney Internet Banking account or via the Bank of Sydney app.

7. Reporting Loss, Theft, Misuse or Unauthorised Use of the VISA Debit Card, PIN or Other Code

- 7.1 If you or your Nominee believe the VISA Debit Card has been misused, lost or stolen or the PIN or code has been misused or has become known to someone else, you or your Nominee must immediately contact us at any time on the emergency number detailed in the front cover of this PDS and below:
- (13 95 00)**
- If you are calling from overseas**, call the international operator to book a reverse charge call to: **+61 2 8262 9191**
Note: Calls made from mobile phones or hotel rooms may attract additional charges, not covered by the reverse charge service.
- 7.2 Contacting us without delay will enable us to put a stop on your card straight away preventing or minimising losses resulting from unauthorised transactions and your potential liability for such losses. We will acknowledge the notification by giving a reference number. Please retain this number as evidence of the date and time of contacting us.
- 7.3 Our Bank of Sydney 13 95 00 line is available 24 hours a day, 7 days a week. If our 13 95 00 line is not operating at the time notification is attempted, the loss, theft or unauthorised use must be reported to us as soon as possible by taking further attempts and if it is still not operating, to contact us during business hours (AEST). We will be liable for any losses arising because our 13 95 00 line is not operating at the time of attempted notification, provided that the loss, theft or unauthorised use is reported to us as soon as possible thereafter or as soon as possible during business hours (AEST).
- 7.4 We may require you to confirm your report at one of our branches and complete certain documentation.

8. When the Account Holder is Liable in case the VISA Debit Card is Lost/Stolen or in case of Unauthorised Use

- a) The account holder will be liable for losses resulting from transactions which are carried out by the user, or by another person with the user's knowledge and consent.
- b) The account holder will be liable for any loss arising out of any transaction (authorised or unauthorised) that requires a manual signature authorisation after you have lost your VISA Debit Card but before we are informed that the VISA Debit Card has been misused, lost or stolen. You are also liable where you have failed to meet the obligations in clause 5.2, clause 6 and clause 9.4 and 9.5. (You acknowledge as a custodian that it is your responsibility to safeguard your VISA Debit Card and report loss immediately. The fact that you were unaware that your VISA Debit Card was lost or stolen does not absolve you from

liability before we are informed).

- 8.1 The account holder will be liable for any loss arising out of any transaction if there was unreasonable delay in notifying us or the Bank of Sydney - 13 95 00 line of the misuse, loss or theft of the VISA Debit Card (or other device) or of the PIN (or code) becoming known to someone else. The account holder's liability will only extend to losses which occur between the time when the user became aware (or should reasonably have become aware) of such misuse, loss or theft and when we were actually notified (also see 8.5).
- 8.2 If, in cases not involving EFT Transactions, the VISA Debit Card or PIN are used without authority, you are liable for that use before notification to us or the Bank of Sydney 13 95 00 line of the unauthorised use, up to your current daily withdrawal limit.
- 8.3 The account holder is liable for any loss if the security of the PIN has been breached, as per the obligations set out in clauses 6.1 and 6.2 above: "Safeguarding your PIN", or if the security of the VISA Debit Card has been breached as a result of non-compliance with the obligations set out in clauses 5.2, 9.4 and 9.5. The account holder will be liable for actual losses resulting from unauthorised transactions caused by the user:
- engaging in fraud; or
 - voluntarily disclosing any of their codes to anyone (including a family member or friend); or
 - keeping a record of a PIN or other code or without making a reasonable attempt to disguise it or to prevent unauthorised access to it; and or in a way that it could be lost or stolen with their card (in the case of a PIN) or any device to which the code relates; or
 - keeping a record of a code or without making a reasonable attempt to disguise it or to prevent unauthorised access to it; and/or where more than one code is used, recording both/all codes in a way that they could be lost or stolen together; or
 - writing their PIN on their card; or
 - writing their code on the device to be used with that code; or
 - selecting a code which represents their birth date, or being an alphabetical code which is a recognisable part of their name, after we have asked them not to select such a code and told them of the consequences of doing so; or
 - leaving a card in an ATM (provided the ATM incorporates reasonable safety standards that mitigate the risk of a card being left in the ATM); or
 - acting with extreme carelessness in failing to protect their codes.
- 8.4 When limited liability applies: There is limited holder liability for transactions made without the use of a pass code. i.e. Where a code or PIN was required to perform the unauthorised transaction and it is unclear whether the user contributed to the loss, you will be liable for the least of:
- a) \$150; or
 - b) the balance of your linked account (including any pre-arranged credit); or
 - c) the actual loss at the time we are notified (where relevant) that the VISA Debit Card has been misused, lost or stolen or that the security of the code or PIN has been breached or has become known to someone else (excluding that portion of the loss incurred on any day which exceeds any applicable daily transaction limit(s)).

You will not be liable for losses resulting from an unauthorised electronic transaction made using your VISA Debit Card to the extent they exceed what the account holder's liability would have been had we exercised any rights we had under the relevant rules of VISA at the time you reported the unauthorised transaction to us against other parties to the VISA rules.

Notwithstanding anything else in these Terms and Conditions, for transactions governed by the ePayments Code, we do not deny a user's right to claim consequential damages resulting from a malfunction of a system or equipment provided by a party to a shared electronic payments network that you are entitled to use pursuant to these Terms and Conditions (such as a merchant or us) except where a user should reasonably have been aware that the system or equipment was unavailable or malfunctioning, in which case our liability for any loss arising from the equipment or system unavailability or malfunction is limited to:

- (i) correcting any errors; and
- (ii) refunding any fees or charges imposed on the user.

Liability for losses resulting from unauthorised transactions is determined under the relevant provisions of the ePayments Code where that Code applies, notwithstanding the provisions and obligations listed above. In addition, the account holder's liability is subject to the Bank proving on the balance of probabilities that the user contributed to the losses in one or more of the ways listed above.

If more than one code is required to perform a transaction and we prove that a user breached the security requirements for one or more, but not all, of those codes, you will be liable under this clause only if we also prove, on the balance of probabilities, that the breach of the security requirements was more than 50%

responsible for the losses.

- 8.5 You are NOT liable for any loss resulting from unauthorised transactions arising out of a lost, stolen or misused VISA Debit Card where it is clear that the user has not contributed to the loss. The account holder will not be liable for losses resulting from unauthorised transactions where:
- a) The transaction requires the use of a card or other device and/or code and happens after you have advised us, in accordance with these Terms and Conditions, that VISA Debit Card has been misused, lost or stolen or that the security of the PIN or CVV has been breached; or
 - b) the transaction happens before any user received their VISA Debit Card or PIN, or replacement VISA Debit Card or PIN, and the transaction required the use of any such VISA Debit Card or PIN or code; or
 - c) the loss relates to a VISA Debit Card or any component of a VISA Debit Card being forged, faulty, expired or cancelled; or
 - d) the loss is caused by either fraudulent or negligent conduct of any of our staff or agents or an act of the staff or agents of any person or company involved in the EFT network, relating to a forged, faulty, expired or cancelled VISA Debit Card or PIN; or
 - e) the same transaction has been incorrectly debited more than once to your account;
 - f) that portion of the losses incurred on any one day which exceed the applicable daily transaction limit(s);
 - g) that portion of the losses incurred in a period which exceeds any other periodic transaction limit(s) applicable to that period;
 - h) that portion of the total losses incurred on any account which exceeds the balance of that account (including any prearranged credit);
 - i) all losses incurred on any accounts which we had not agreed with you could be accessed using your VISA Debit Card;
 - j) it is clear that you and your Nominee have not contributed to the loss;
 - k) the transaction exceeds the amount of your liability to us had we exercised our rights (if any) under the VISA Worldwide operating rules and regulations against other parties to those rules and regulations;
 - l) the transaction resulted from an unauthorised use of the VISA Debit Card or PIN:
 - (i) in relation to an EFT Transaction which requires PIN authorisation, before receipt of the PIN; or
 - (ii) in either case, after notification to us that the VISA Debit Card is being used without authority, that it has been lost or stolen, or that PIN security has been breached.
 - m) all losses incurred on any account which you had not agreed with us could be accessed using the VISA Debit Card and PIN;
 - n) the transactions are electronic transactions able to be made using an identifier without a code or device;
 - o) the transactions are electronic transactions able to be made using a device and not a code, provided the account holder did not unreasonably delay in reporting the loss or theft of the device;
 - p) the transactions require the use of a card and happen after you have requested us to cancel the card and have either returned the card to us, or taken all reasonable steps to have the card returned to us (see clause 25 for card cancellation).

15. Using your VISA Debit Card Outside of Australia

- 15.1 All transactions made overseas on the VISA Debit Card are subject to fees and charges. Please refer to the General Banking Fees & Charges Guide.
- 15.2 All transactions made overseas on the VISA Debit Card will be converted into Australian currency by VISA Worldwide, and calculated at a wholesale market rate selected by VISA from within a range of wholesale rates or the government mandated rate that is in effect one day prior to the Central Processing Date (that is, the date on which VISA processes the transaction).
- 15.3 Some overseas Merchants and EFT Terminals charge a surcharge for making an EFT Transaction. Once you have confirmed the transaction you will not be able to dispute the surcharge. The surcharge may appear on your statement as part of the purchase price.
- 15.4 Some overseas Merchants and EFT Terminals allow the VISA Debit Cardholder the option to convert the value of the transaction into Australian dollars at the point of sale, also known as Dynamic Currency Conversion. Once you have confirmed the transaction you will not be able to dispute the exchange rate applied.
- 15.5 Before travelling overseas, you or your Nominee should consult us to obtain the Bank of Sydney - 13 95 00 line number for your country of destination.
- 15.6 You must comply with all applicable exchange control and tax laws governing the use of the VISA Debit Card and you indemnify us against liability, loss, fees, charges or costs arising as a consequence of a failure to comply with them.

16. Verified by VISA

- 16.1 Verified by VISA is an online service designed to make internet transactions safer at participating merchants through the authentication of the VISA Debit Cardholder's identity at the time of purchase. VISA Debit Cards are automatically registered for this free service.
- 16.2
 - a) Each time you make an online purchase with a participating merchant, the Verified by VISA program assesses the risk level of the transaction.
 - b) If certain activity seems out of the ordinary you may be asked to confirm some personal details before transactions will be allowed to proceed.

17. Recurring Payments

- 17.1 You should maintain a record of any Recurring Payment that you have entered into with any Merchant.
- 17.2 To change or cancel any Recurring Payment you should contact the Merchant or us in writing, at least 15 days prior to the next scheduled payment. If possible you should retain a copy of this change/cancellation request.
- 17.3 Should your VISA Debit Card Details be changed (for example if your VISA Debit Card was lost, stolen or expired and has been replaced) then you must request the Merchant to change the details of your existing Recurring Payment to ensure payments under that arrangement continue. If you fail to do so your Recurring Payment may not be honoured, or the Merchant may stop providing the goods and or services.

- 17.4 Should your VISA Debit Card or Linked Account be closed for any reason, you should immediately contact the Merchant to change or cancel your Recurring Payment, as the Merchant may stop providing the goods and/or services.

18. Obtaining Account Information

- 18.1 You can obtain account information by visiting any of our branches in Australia.
- 18.2 We will give you statements at least every 6 months for any accounts, which you have accessed through electronic equipment. Statements are also available on request (fees apply).
- 18.3 All transaction records issued by the electronic equipment should be retained to allow you to verify statement entries. All entries should be confirmed for accuracy once you receive your statement.
- 18.4 If you need to dispute any transaction appearing on your statement you must do so immediately.
- 18.5 The date that appears on the transaction record may vary from the date that appears on your account statement. This occurs because transactions completed on a specific day may be held over to be processed on the next business day.
- 18.6 Where both joint account holders live at the same address, you agree that only one statement for that account will be sent to that address.
- 18.7 It is recommended that you check and retain all transaction slips, receipts and payment or transfer reference numbers issued to you after conducting an EFT Transaction, as well as copies of all sales and cash advance vouchers, to assist in checking EFT Transactions against your statements.

19. Authorised Users

- 19.1 The Account holder irrevocably authorises the Bank to accept any instructions by the User.
- 19.2 You hereby declare, accept and warrant that you are liable for any transaction by a User unless notice has been given to the Bank in writing, in person, or by telephone on 13 95 00.
- 19.3 Any transaction effected by an Authorised User will be treated as a transaction which is authorised by the Account holder irrespective of whether the Account holder consented to the transaction.

20. Additional VISA Debit Cards

- 20.1 You may authorise, if we agree, to issue an additional VISA Debit Card to your Nominee, provided this person is over the age of 18 (or over the age of 16 with parent/guardian consent).
- 20.2 You will be liable for all transactions carried out by your Nominee on the VISA Debit Card.
- 20.3 We will give each Nominee a PIN.
- 20.4 Your Nominee's use of the VISA Debit Card and PIN is governed by the Terms & Conditions for VISA Debit Cards.
- 20.5 You must ensure that each Nominee protects their VISA Debit Card and PIN in the same way as these Conditions of Use require you to protect your VISA Debit Card and PIN.

- 21.1 You must complete a 'VISA Debit Card Transaction Dispute' form applicable for your relevant state.
*(These are available at any Bank of Sydney branch by calling **13 95 00** or by visiting our website at banksyd.com.au)*

- 21.2 We will investigate your disputed transaction, and if we are unable to settle your disputed transaction immediately to your and our satisfaction, we will advise you in writing of the procedures for further investigation and resolution and may request further relevant details from you. Within 21 days of receipt from you of the details of your complaint we will:
- complete our investigation and advise you in writing of the results of our investigation; or
 - advise you in writing that we require further time to complete our investigation.
- We will complete our investigation within 45 days of receiving your disputed transaction, unless there are exceptional circumstances.
- 21.3 If we are unable to resolve your disputed transaction within 45 days, we will let you know the reasons for the delay and provide you with monthly updates on the progress of the investigation and its likely resolution date, except where we are waiting for a response from you and you have been advised that we require such a response
- 21.4 If we find that an error was made, we will make the appropriate adjustments to your Linked Account including interest and charges (if any) and will advise you in writing of the amount of the adjustment.

- give you copies of any documents or other evidence we relied upon; and
 - advise you in writing whether or not there was any system or equipment malfunction at the time of the relevant transaction.
- 21.6 When we advise you of the outcome of our investigations, we will notify you in writing of the reasons for our decision by reference to these Terms and Conditions and the ePayments Code (where applicable) and advise you of any adjustments we have made to your Linked Account. If you are not satisfied with the decision, you may wish to take the matter further. You may, for instance, contact our appointed external dispute resolution centre, which is the Australian Financial Complaints Authority (AFCA) after you have received an unsatisfactory resolution by the Bank and the Bank cannot assist you further.

- 21.7 Dispute Rights are set by the VISA Card Scheme and may apply where the "credit" option is used when a transaction is made at an EFTPOS terminal. This is a dispute resolution process set by the VISA Card Scheme. The Bank's ability to investigate a disputed transaction on your VISA Debit Card and claim a refund in connection with it is restricted by the time limits imposed under the VISA Card Scheme Operation Rule. You should report a disputed transaction to us as soon as possible (so that we may reasonably ask for a Dispute where such a right exists). *Note: Time limitations may not apply in circumstances where the ePayments Code applies. While your dispute is being investigated by the Bank, the amount of the transaction in dispute will be withheld against your VISA Debit Card until the dispute is resolved.*
- WARNING:** The ability to dispute a transaction may be lost if it is not reported within the timeframes we specify or describe. To avoid losing any rights, tell us within 30 days after the date of the statement which shows the transaction and provide us with any information we ask for to support your request. Where it can be shown that you have unreasonably delayed in reporting any disputed transaction to the Bank for which a Dispute Right exists you will be liable for the loss on that transaction.
- If you have disputed a card transaction with us within the required timeframe, we will, in relation to the card transaction (including an unauthorised payment debited to your card account pursuant to a recurring payment arrangement):
- claim a Dispute Right, where one exists, for the most appropriate reason; and
 - not accept a refusal of a dispute by a merchant's financial institution unless it is consistent with the VISA Card Scheme Rules.

22. When you need to Cancel or Block an Additional User's VISA Debit Card and/or Access

- 22.1 If you wish to cancel a VISA Debit Card issued to an additional user you must visit one of our branches and destroy the additional VISA Debit Card. Alternatively, you may place a temporary block on the other user's

VISA Debit Card that will restrict their access to your account.

- 22.2 However, unless the other user's VISA Debit Card is destroyed, the cancellation or block will not be fully effective. If any transactions are made by that other user with the VISA Debit Card you will be held liable.
- 22.3 If the account holder wishes to withdraw or restrict the services offered by Bank of Sydney to an additional user, the account holder must give written instructions to the Bank.

23. Exclusions of Warranties and Representations

- 23.1 We do not warrant that Merchants displaying VISA signs or promotional material will accept the VISA Debit Card in payment for goods and services. You should always enquire beforehand before selecting goods or services.
- 23.2 We do not accept any responsibility should a Merchant, Bank or other institution displaying VISA signs or promotional material, refuse to accept or honour the VISA Debit Card. We do not warrant that EFT Terminals displaying VISA signs or promotional material will accept the VISA Debit Card.
- 23.3 We are not responsible for any defects in the goods and services acquired by you through the use of the VISA Debit Card. You acknowledge and accept that all complaints about these goods and services must be addressed to the supplier or Merchant of those goods and services.
 - a) Where you have authorised a Merchant to transact on the account by providing your VISA Debit Card number or using your VISA Debit Card to make a purchase you may be entitled to reverse (Dispute) the transaction where you have a dispute with the Merchant. For example, you may be entitled to reverse a transaction where the Merchant has not provided you with the goods or services you paid for and you have tried to get a refund from the Merchant and were unsuccessful.
 - b) Please note we are not able to reverse (Dispute) direct debit transactions set up using your default deposit account number and branch number (BSB).
 - c) To avoid losing any rights you may have for transactions other than unauthorised EFT Transactions you should:
 - tell us within 30 days after the date of the statement which shows the transaction; and provide us with any information we ask for to support your request.

24. Renewal of the VISA Debit Card

- 24.1 Unless you are in breach of these Conditions of Use or we deem otherwise for the security of the EFT System or individual accounts, we will automatically provide you and your Nominee with a replacement VISA Debit Card before the expiry date of the current VISA Debit Card or additional VISA Debit Card.
- 24.2 If you do not wish to receive a replacement VISA Debit Card, either for yourself or for your Nominee, you must notify us before the expiration date of the current VISA Debit Card. You must give us at least 30 days written notice beforehand to arrange cancellation of the issue of a replacement VISA Debit Card.

25. Cancellation and Return of the VISA Debit Card

- 25.1 The VISA Debit Card will always remain the property of Bank of Sydney.

- 25.4 You may cancel your VISA Debit Card or any VISA Debit Card issued to your Nominee at any time by giving us written notice.
- 25.5 If you or we cancel the VISA Debit Card issued to you, any VISA Debit Card issued to your Nominee(s) will also be cancelled.
- 25.6 You will be liable for any transactions you or your Nominee make using the VISA Debit Card before the VISA Debit Card is cancelled but which are not posted to your Linked Account until after cancellation of the VISA Debit Card.
- 25.7 You must return your VISA Debit Card and any VISA Debit Card issued to your Nominee to us when:
 - a) we notify you that the VISA Debit Card has been cancelled;
 - b) you close your Linked Account;

- c) you cease to be a customer of Bank of Sydney;
- d) you cancel your VISA Debit Card, any VISA Debit Card issued to your Nominee, or both;
- e) you alter the authorities governing the use of your Linked Account unless we agree otherwise.

25.8 You must not use the VISA Debit Card or allow your Nominee to use the VISA Debit Card:

- a) before the valid date or after the expiration date shown on the face of the VISA Debit Card;
- b) after the VISA Debit Card has been cancelled.

25.9 You will continue to be liable to reimburse us for any indebtedness incurred through such use whether or not you have closed your Linked Account at Bank of Sydney.
